

FLIXBOROUGH PARISH COUNCIL

Asset Maintenance Plan

The Parish Council have adopted the following maintenance plan and will review it yearly. This is to ensure that Assets are being properly maintained and used within the Community and to ensure cost effectiveness.

Play Park and Stockshill

The Parish Council are using contractors to cut and strim the grass from April-October.

The Bins are currently emptied weekly by North Lincolnshire Council.

A monthly visual inspection of all play equipment, fixed assets and boundaries are being carried out by a contractor and a yearly inspection by a ROSPA certificate holder from North Lincolnshire Council is also carried out.

A tree management plan has been carried out and any actions needed have been taken.

Bus Shelters

The Parish Council use a local window cleaner who cleans the windows of the bus shelter once a month.

The Parish Council use the services of a local roofer to inspect the roof of the Bus Shelter yearly and advise of any maintenance work needed.

The Clerk visually inspects the bus shelters monthly and clears them of any rubbish monthly.

Flixborough Signs

The Clerk visually inspects and cleans the signs twice a year, once in October and once in March.
